CHURCHILL DOWNS RACING

MEETING AT LOUISVILLE'S OLDEST TRACK OPENS UNDER FAVORABLE CONDITIONS.

Prince Hermis Takes the Falls City Handicap in Close Finish with Vogue and Pan Zareta-Lady Rotha Wins.

Lady Rotha Wins.

Louisville, Ky., September 29.—Churchill Downs began its fall season of racing this afterneon under the most favorable auspices. The weather was ideal and the excellent card offered brought out an immense attendance. The plant showed vast improvement as a result of constant labors, particularly in landscaping and garden effects. At the present time there is not a track in the country that can approach Churchill Downs in the matter of beauty and facilities. The clubhouse, as usual, was thronged with the social set and the occupants of the boxes likewise contained much wealth and fashion.

The Falls City Handicap, worth \$2,060 net to the whnner, was the principal race down for decision and brought out the best band of sprinters seen this fall on a local course. It included Pan Zareta and Iron Mask, the latter being added at the last minute. The race was replete with rough riding in the first quarter, Bringhurst, the favorite, Little Nephew and Converse suffering extensively. Converse unseated his rider, but Robinson saved himself from injury by clinging desperately to his mount's neck until he brought him to a standstill, a furlong from where the mishap occurred. Prince Hermis, which had been one of the lucky ones in the race, came with a well-timed rush in the stretch and got up in the last stride to overtake Vogue, which in the early part of the race had been in the thickest of contention along with Pan Zareta and Iron Mask. Both tred in the final eighth, but showed great gameness in a close finish. Bringhurst gained steadily in the stretch racing and was well up at the finish. With a clear course he probably would laye woo.

steadily in the stretch racing and was well up at the finish. With a clear course he probably would have won.

The first disqualification in Kentucky this fall followed the running of the second race, which was contested by a band of maiden two-year-olds. Col. McNab, the olds-on favorite, finished first, but was disqualified for interfering with Incitation and Huffaker during the stretch racing. The interference came shortly after the horses had rounded the last turn. Col. McNab, then on the outside, swerved over sharply and the inexperienced Kelley on Incitation aggravated the incident by his inability to ride his mount properly.

Lady Rotha gave a sparkling performance in the mile dash, which she won in hollow fashion and fast time over £d Crump and Dr. Larrick, with other good ones following.

Backets of favorites traveled a difficult path during the afternoon, the change in tracks and the big fields putting calculations astray.

Speculation was of satisfactory proportions, but fell short of last year.

J. P. Ross has added another stallion to the Kentucky State Commission's band by securing the ten-year-old Mirzer, which will be used for Breeding Bureau purposes.

MAY AWAIT FAVORABLE LEGISLATION.

Golden Gate Breeders' Association Opposed to Attempt to Resume California Racing Next Year.

Golden Gate Breeders' Association Opposed to Attempt to Resume California Racing Next Year.

Because of the pronounced success of the recent running meeting at San Francisco, it was said that another meeting would be tried next year, with Tanforan as the probable scene of action. But it now seems a matter of doubt as to whether the attempt will be made. At any rate the San Francisco Chronicle of September 26 said:

"Judging from the remarks made by President Charles W. Clark of the Golden Gate Breeders' Association at a luncheon tendered to the sporting writers during the week, there will be no attempt to stage another thoroughbred meeting here until after the legislature meets in the spring of 1917. There was some talk of promoting a meeting at the caposition track the coming spring, but the head of the association that fostered the turf revival is not in favor of the moves.

"President Clark explained that the exposition meeting was staged at the psychological moment, and the public was given an opportunity to see if it wanted the return of thoroughbred racing or not. The throngs that turned out to the races, and the enthusiasm in which they were received were evidence in themselves that the heralded "sport of kings" is still much in popular favor. Governor Johnson was among those present on one of the big days, and he was credited with expressing satisfaction with the manner in which the sport was being handled.

""Certaintly the meeting was backed by some of the state's wealthliest and most prominent citizens, and the heavily of it was that they were striving in the interest of the thoroughbred horse and not individual zain. Captain McKittriek, one of the committee that handled the arrangements, admitted that there were some things in evidence that did not meet with the approval of the association, but he called attention to the hurried manner in which the meeting was promoted and the difficuities that the members encountered.

"The class of thoroughbreds that performed at the exposition was evidence that t

that the blue-blooded gallopers started to pass out of existence.

"It will be a year and a half before it is known whether or not the thoroughbreds are to return to Callfornia. The Golden Gate Breeders' Association is confident, however, of success in their efforts to get some favorable legislation passed by the next legislature. The exposition meeting will be cited as what may be expected if the pari-mutuels are adopted. It will stimulate interest in raising good horses and perhaps once again we will lave our stock farms that won fame the world over."

AN EXCITING FINISH AT HILLCREST.

Toronto. Ont.. September 29.—A nose and nose fanish between Ormead and Jessup Burn in the third race after the pair had raced practically head and head all the way, featured the second day's racing at Hillerest Park. A crowd of 4,000 saw the racing. The weather was bright and warm and the track has rounded into fast condition.

Miss Gayle, a good thing backed from 10 to 1 down to 5 to 1, gave the ring quite a jolt by winning the final race.

Jockey Wolstenholm was suspended by his employer after an altercation with his trainer.

Sharper Knight's entry has been refused because he-1s a bleeder. Ormead's will be refused on account of inconsistent running.

Jockey Cullen was suspended for two days, commencing Friday, for rough riding. He will ride out his engagements tomorrow.

COCK O' THE WALK WINS ONCE MORE.

First Over Lahore and Flittergold in the Chester brook Handicap at Havre de Grace.

First Over Lahore and Flittergold in the Chesterbrook Handicap, which was offered as the chief feature here this afternoon, resulted in a victory for Frederick Johnson's Cock o' the Walk over Lahore and Flittergold. Much of the Interest in the race was lost when the lightly-weighted Tartar was knocked down while going to the first turn, because Butwell, who had the mount on Flittergold, forced his way through next to the rail. Off to a good start, Buxton sent Cock o' the Walk to the front. Holiday and Gainer raced in closest pursuit of him, but when the half-mile ground was reached they had had enough and fell back, giving way to Lahore and Runes. At the head of the stretch Flittergold went to the outside, while Lahore was gradually decreasing the lead of the winner. He was not quite good enough, however, for the winner carried his heavy burden in a masterful manner and hung on gamely under punishment through the final drive. Flittergold got up in time to take down the small end of the stake. The field that took part in the feature race was probably the best brought together during the meeting and the race aroused much enthusiasm. The distance was covered in 1:46, which is a shade slower than the track record.

A large and enthusiastic crowd journeyed to the course and was well rewarded for the trip. The racing on the hole throughout the afternoon was of the wholesome sort, the majority of the winners being returned only after stirring contests.

The third race attracted considerable interest as it marked the reappearance of Tom Elward, which raced so disappointingly in his stake engagement on Monday. Today he showed considerable speed for this first part of the race and finished second to Madame Herrmann.

A steeplechase, which brought together a fair field, resulted in an easy victory for Racebrook. He was ridden by Charley Koerner, who scored his second victory on as many mounts.

Roamer, carrying his weight for his engagement in the Baltimore Handicap at Laurel on Saturday, worked out the distance of the ra

CURRENT NOTES OF THE TURF.

CURRENT NOTES OF THE TURF.

J. A. Strode has shipped four of his horses to Laurel, while the rest remain at Montreal for the October meeting at Mount Royal Park.

The stable of W. A. McKimey will be shipped to Latonia from Mount Royal Park. Mud Sill and Weyanoke are the mainstays of the string.

The management of the Mount Royal Jockey Club. the newest racing enterprise at Montreal, will install the pari-mutuels for next season's racing. A steeplechase course will be built at once.

Martin Nathanson, presiding judge and racing secretary of the Mount Royal track, has returned to his home in Chicago from Montreal and is devoting his attention to the preparation of a set of track rules for the Havana meeting of the coming winter, with which he will be officially connected. The Royal Graditz Stud, the racing establishment of the King of Prussia, is to have a new first jockey mon two races on August 26 at Hoppegarten, secring a race for two-year-old fillies on Messrs, on Weinberg's Galatea, by Fels—Grave and Gay, and a handleap on the Mydlinghoven Stud's Hadschar, by Diuna Forget.

A war tax on the receipts of Canadian racing organizations is advocated editorially by the Toronto Globe. Its collection would be easy and no doubt its imposition would be submitted to cheerfully. At the same time there may be some stockholders who are not discomforted in their minds by the reflection that it is now too late to take a tax toll from the receipts of this year.

THE LAST GREAT SALE OF THIS YEAR.

NOTES OF THE TURF FROM OTHER LANDS

The Victoria Racing Club committee has decided that no horse blind in one eye shall be eligible to be entered for any race (either flat or jumping) run at Flemington race course. A similar rule operates at Caulfield and Randwick.

Up to September 10 the aggregate of money raced for on the flat in England was \$601,100. Four meetings then remained to be disposed of, of which one took place September 14, 15, 16 and 17. The Newmarket First October meetings began Tuesday and ends Friday, It will be followed in order by the Newmarket Second October meeting and the Newmarket Houghton meeting. Then, so far as is now known, flat racing in England will cease this year. The \$50,000 Jockey Club Stakes will be run Thursday.
